

March 29, 2007

## When will the final site for the proposed facility be confirmed?

### MARCH 28 and 29, 2007

- Short-list of potential facility sites brought forward to Durham and York Regional Council meetings.

### APRIL 2007

- Public information sessions held to discuss proposed short-list of sites with residents.

### APRIL – AUGUST 2007

- Proposed short-list of sites further studied and evaluated by consultants on various criteria, including potential health and environmental impacts.

### AUGUST / SEPTEMBER 2007

- Consultants recommend preferred final site for future facility to York and Durham Regional Council.

### FALL 2007

- Public information sessions held to discuss final site with residents.

### JANUARY 2008

- Once recommended site is approved by York and Durham Regional Councils, necessary Environmental Assessment documentation will be completed and submitted to the Ministry of the Environment.
