Rationale and Concordance Table**

In order to respond to comments received on the EA Study Document (as amended November 27, 2009) with respect to the RFP evaluation process, the Regions of Durham and York prepared an addendum containing a revised Section 9.2 of the EA Study Document (as amended November 27, 2009) containing:

- Section 9.2.1.1 providing a narrative on the Covanta submission similar to that provided on Proponents A, B, and C;
- Table 9-1 providing a “checklist” for Covanta documenting their ability to meet the technical requirements of the RFP; and,
- Section 9.2.2.4 providing a qualitative assessment including methodology, criteria and ranking for each of the vendors submissions received.

Attachment: Addendum to EA Study Document (as amended November 27, 2009) Rationale and Concordance Table

## Addendum / Rationale and Concordance Table

Document Section		Rationale
9.2.1.1 – Covanta Energy Corporation	A new section was provided in the addendum providing a narrative on the Covanta submission similar to that provided on Proponents A, B, and C.	This information was provided to describe, in a similar manner, the Covanta submission to facilitate the review when comparing to the other Vendor submissions. This information was previously, and is, supplied (in greater detail) in Section 10.0 of the EA study document.
9.2.1.1 – Covanta Energy Corporation, Table 9-1	A table was provided in the addendum providing a checklist on the Covanta submission similar to that provided on Proponents A, B, and C.	This information was provided to describe, in a similar manner, Covanta’s ability to meet the technical requirements of the RFP.
9.2.2.4 – Evaluation of Rated Criteria (EA Process)	A new section was provided in the addendum providing a narrative on the qualitative assessment of vendor submissions including methodology, criteria and ranking.	This information was provided to provide greater clarity and transparency on how Covanta was identified as the preferred Vendor.
