**Re: Durham York Energy Centre, EA Condition 11:  
Submission of Final Revised Ambient Air Quality Monitoring Plan**

Dear Ms. Januszkiewicz and Ms. McDowell,

Thank you for submitting the Ambient Air Quality Monitoring Plan (Plan) for the Durham York Energy Centre (DYEC), dated May 1, 2012. It is my understanding that the Plan has been revised to address all the comments offered by the ministry in a letter dated April 11, 2012 and a teleconference with the Region held May 8, 2012.

The revised Plan satisfies Condition 11 of the Notice of Approval to Proceed with the Undertaking for this project.

Sincerely,

A handwritten signature in dark ink, appearing to read "Dolly Goyette".
