Dear Ms. Hedley and Ms. Goyette:

**RE: Durham York Energy Centre
Submission of the 2015 Annual Groundwater and
Surface Water Monitoring Report
Environmental Compliance Approval 7(14)
MOECC File #: EA-08-02**

In accordance with Condition 7(14) of the Environmental Compliance Approval (ECA), the Regional Municipality of Durham and the Regional Municipality of York (Regions) are pleased to submit the 2015 Annual Groundwater and Surface Water Monitoring Report. Annual monitoring reports are submitted to the Ministry of Environment and Climate Change (MOECC) on or before April 30 of each year in accordance with the letter from the MOECC Central Region Director to the Regions dated March 4, 2013. This submission will be forwarded to the Energy from Waste Advisory Committee for information in accordance with EA Condition 8.8 (b) and posted to the Durham York Energy Centre (DYEC) website in accordance with ECA Condition 7(14)(c).

The 2015 Annual Groundwater and Surface Water Monitoring Report was prepared by an independent and duly qualified environmental consulting firm, WSP Canada Inc. (WSP). Based on its review of the monitoring data, WSP has concluded that there has been no measurable adverse influence on groundwater or surface water quality as a result of facility construction or the first year of operations at the DYEC.

We trust that the 2015 Annual Groundwater and Surface Water Monitoring Report will meet the expectations of the MOECC. If you require any further information, please contact Mr. Gioseph Anello, Manager of Waste Planning and Technical Services, at 905-668-7711 extension 3445.
