**Re: Durham York Energy From Waste Project
Groundwater Well Development Submission**

Dear Ms. Januszkiewicz and Ms. McDowell,

Thank you for your January 28, 2013 letter indicating that the Regions have commenced the groundwater and surface water monitoring program for the Durham York Energy from Waste Project (EFW), and for the borehole log explanation form and preconstruction lab results attached as evidence of program commencement.

The Project Officer will schedule a meeting in March 2013 with your consultants to discuss the submission of the first annual report required under Condition 20.8 of the Minister's Notice of Approval for this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Dolly Goyette", followed by a horizontal line.

Dolly Goyette
Director, Central Region
