Environmental Approval Branch

135 St. Clair Avenue West, Floor 1

Dear Ms. O'Neill:

RE: Durham/York Energy from Waste Project
Submission of Revised Noise Monitoring and Reporting Plan
MOECC File #: EA-08-02

Please find enclosed the revised Noise Monitoring and Reporting Plan (NMRP). The Regional Municipalities of Durham and York (Regions) propose that the NMRP be revised to remove the requirement to conduct annual acoustic measurements. The requirement to conduct annual acoustic measurements was revoked by the Ministry of the Environment and Climate Change (MOECC) on February 24, 2016, by Amendment to Environmental Compliance Approval, Number 7306-8FDKNX, Notice Number 4. The requirement for undertaking acoustic auditing could be reinstated if significant changes to facility operations with the potential to alter noise generation are proposed, or at the request of the MOECC.

If you require any further information, please contact Mr. Gioseph Anello, Manager of Waste Planning and Technical Services, at 905-668-7711 extension 3445.

Sincerely,
