**Re: Durham and York Residual Waste Study (Durham York
Energy Centre or DYEC) 2023 Annual Odour Management
and Mitigation Monitoring Report
Notice of Approval, Condition 18.5**

Dear Mr. Evans and Ms. McDowell,

Thank you for submitting the 2023 Annual Odour Management and Mitigation Monitoring Report (OMMMR) for the period between November 1, 2022, and October 31, 2023, in accordance with Condition 18.5 of the Environmental Assessment Notice of Approval for this project.

Ministry of the Environment, Conservation and Parks (MECP) staff have reviewed the report and note the scope of the OMMMR follows the activities enumerated by the Odour Management and Mitigation Plan (OMMP).

There were no odour complaints or enquiries received related to odour at the facility between November 1, 2022, and October 31, 2023. We have no comments to offer at this time.

Should you or any members of your project team have any questions, please feel free to contact Marinha Antunes, at 437-214-4256.

Sincerely,

Dr. Rachael Fletcher
Director, Central Region
