MOECC File #: EA-08-02**

Conditions 18.4 and 18.5 of the Notice of Approval to Proceed with the Undertaking (Notice of Approval) for the above mentioned project outlines the requirement for annual Odour Management and Mitigation Monitoring Reports (OMMMR) to be submitted to the Regional Director of the Ministry of the Environment and Climate Change (MOECC), with the first report submitted six months following the initial receipt of waste and every 12 months after.

In accordance with condition 18.5 of the Notice of Approval, the OMMMRs are required to be submitted annually by November 26 of each calendar year as directed by the MOECC in your document dated April 7, 2016.
