Dear Mr. Fumerton:

**RE: Durham/York Energy from Waste Project
Durham York Energy Centre Soils Testing Plan Report Addendum
Certificate of Approval: #7306-8FDKNX**

In response to the Ministry of Environment letter dated January 28, 2014, the Regional Municipality of Durham and the Regional Municipality of York have discussed with WSP, the consultants who carried out the soil sampling and reporting, and offer the following attached addendum from WSP along with the revised Durham York Energy Centre (DYEC) Soils Testing Plan to address responses to the Ministry of the Environment's comments.

We trust the addendum to the DYEC Soils Testing Plan Report complies with the approved Soil Testing Plan and the Environmental Compliance Approval and meets the Ministry of the Environment's expectations.

If you require any further clarification, please contact Gioseph Anello, Manager, Waste Planning and Technical Services, at 905-668-7711 ext. 3445
