**RE: Durham York Energy from Waste Environmental Assessment
Third Party Independent Audit Plan – Operations Phase
Environmental Assessment Condition of Approval Number 16.3**

Dear Mr. Anello,

Let this letter serve as a confirmation of receipt of the Third Party Audit Independent Audit Plan – Operations Phase. It is my understanding the Plan was prepared in order meet Condition of Approval 16.3 under Third Party Audits.

I have no concerns with the Plan at this time.

Sincerely,
