Jan 6, 2014	telephone	Director of Major Cosmetic's company currently ships waste to EFW facility in New York and was inquiring if there are commercial opportunities to deliver waste to Durham York EFW facility.	Explained to caller that ECA only allows municipal solid waste from Durham and York Regions. Informed that Algonquin Power may have the ability to take commercial/industrial waste.	Jan 6, 2014	LW
Jan 22, 2014	Municipal Freedom of Information and Protection of Privacy Act (MFIPPA) Request through Durham Corporate Services Department – Legislative Services Division	Requestor submitted request for access to records under MFIPPA directly to Durham Region, Legislative Services. The requested records related to emails, correspondence, by-laws, agreements, and Council/Committee meeting documentation relating to the EFW.	Request is still being processed as per the provisions of MFIPPA.	N/A	JD/LW
Jan 31, 2014	Municipal Freedom of Information and Protection of Privacy Act (MFIPPA) Request through York Corporate Services Department – Legislative Services Division	<p>York Region received a request for information relating to the Durham York Energy Centre as part of a larger request for information under the <i>Municipal Freedom of Information and Protection of Privacy Act</i> (MFIPPA): The request was managed in accordance with the procedures and timelines specified by MFIPPA and is included here for information. The following is a summary of the requested information.</p> <ul style="list-style-type: none"> <li>• A copy of the contract between Covanta and the Durham and York Regions</li> <li>• A copy of the liability insurance policy and certificate number provided to Durham and York Regions by Covanta.</li> <li>• A list of any elected officials, representatives or employees of Durham and York Region or members of their families with specified employment, business or financial ties to Covanta.</li> <li>• A list of any elected officials, representatives, or employees of Durham and York Regions or members of their families who received certain benefits from Covanta together with any related documentation.</li> <li>• Copies of any correspondence from York Region's CEO to specified elected officials one month before and one month after the Ministry of Environment issued approvals for the Durham York Energy Centre under the <i>Environmental Assessment Act</i> and <i>Environmental Protection Act</i>.</li> </ul>	<ul style="list-style-type: none"> <li>• On February 24, 2014, the individual was advised that the third party notice would need to be issued to Covanta. On March 19, 2014, the individual was further advised that the contract is available publicly on the project website.</li> <li>• On February 24, 2014, the individual was referred to Durham Region for a copy of the requested insurance information.</li> <li>• On February 24, 2014, the individual was informed that York Region possesses no responsive records on any of the remaining items, and was referred to Durham.</li> </ul>	As noted under "Response / Remedial Action"	SD/GB

Jan 29, 2014	Delegation to Works Committee	Request made to work committee/council to direct staff to establish EFWAC meeting schedule. Request made to works committee/council to direct staff to provide copies of all past EFWAC meeting minutes to committee/council. Request made to work committee/council to direct staff to share details of the planned public meeting which is to be scheduled prior to first receipt of waste.	These requests were dealt with at Regional Council which was held February 12, 2014. That Regional Council directive asks the Energy from Waste Advisory Committee (EFWAC) to consider and post a set meeting schedule of at least four meetings per year with the first meeting to occur prior to commissioning of the EFW startup; and that meetings be considered between the hours of 6:30 PM to 9:00 PM.
